

A golden line art illustration of a woman in profile, facing right, holding a large, stylized flower. The lines are elegant and flowing, capturing the essence of the figure and the flower's petals.

The Alchemist's Touch

"Like Amaterasu, who with her divine light restores harmony and life to the fractured world, the emulsion, with its dual essence, unites what is divided: water and oil find peace in its embrace, coexisting in a fluid and stable dance, like day embracing night."

The Alchemist's Touch

The Alchemist's Touch

Unleashing the Magic of Formulation

Step into the world of limitless possibilities with **The Alchemist Touch**, a collection that celebrates the transformative power of **BeauSens® E-SF** by ROELMI HPC.

Just as the alchemist holds the ancient mastery to manipulate and transmute elements into gold, this versatile emulsifier allows formulators to craft textures of every kind - from featherlight fluids to sumptuous, rich butters.

Harnessing the unique properties of BeauSens® E-SF, this collection showcases how a single ingredient can evolve to meet every creative vision and delivery form, from fluid to rich viscosity.

*Whether you seek the silky glide of a serum
or the uxurious indulgence of a balm,
the alchemist's magic is at your fingertips.*

Drop of Dew

A fluid face serum

with an ultra light texture for deep pro-age effect

Experience the delicate embrace of **Drop of Dew**, a lightweight yet deeply hydrating serum that revitalizes the skin with the freshness of morning dew.

This unique fluid emulsion, with a low concentration of **BeauSens® E-SF**, has a light and no-greasy texture. It absorbs swiftly, leaving behind a velvety finish - a gentle reminder that powerful beauty transformations come in the softest of touches.

Packaging: dropper

Silk Infusion

A nutrient-infused body lotion
that hydrates while improving body slimming effect

Like the skilled alchemist crafting beauty from the elements, **Silk Infusion** is a fluid emulsion that comes from an increasing concentration of **BeauSens® E-SF**.

A pleasant experience for hydrating massage in which you can perceive the sensorial cascade given by ROELMI HPC's **EMotion®** esters: extended play time, deep nutrition and a final velvet and smooth touch but never greasy or heavy.

Aural Caress

A rich hand cream
delivering intense hydration and comfort

With each application, **Aural Caress** envelops your skin in a rich yet velvety texture, gliding effortlessly with a valuable skin barrier effect.

This luxurious emulsion, with a higher concentration of **BeauSens® E-SF**, strikes the perfect balance between indulgence and protection.
It offers a medium playtime for a nourishing, deeply restorative experience, leaving a subtle veil of emollience that enhances your skin’s natural vitality - never heavy, always harmonious.

Alchemy of Opulence

A buttery cream
to protect very dry skin with a soothing effect

Like an alchemist turning raw elements into pure gold, **Alchemy of Opulence** transforms sensitive skin with deep hydration, by restoring balance when it's needed the most.

The synergic effect between **BeauSens® E-SF** and **Olifeel® Pearls** gives this specific buttery texture that offers intense emollience to the most chapped areas. Together with a non-greasy touch, this very rich cream provides nourishment without weighing down the skin - where the richest textures meet the most advaced care.
